Re: Damage of Automatic Read Meters/Water Meters (ARM)

The City is now installing/furnishing ARM Water Meters. After your ARM Water Meter has been installed it becomes your responsibility to prevent the meter from becoming damaged. If it becomes damaged in any manner, you as a Developer/Builder will be required to pay a replacement fee for the following:

- ¾ to 1-inch meter replacement fee \$300.00
- 2-inch meter replacement fee \$600.00
